About Vintage Rock

Vintage rock was founded in January 2006 by Kelly Hollingsworth.

The salon soon grew in team size and in 2009 the salon was extended to create more space. It soon became clear that the salon needed to expand yet again and a decision was made to move to Hoddesdon.

Kelly has worked in the industry for over 20 years and has worked with some of the industries finest salons. She started hairdressing at the tender age of 14 and has a number of accolades earned along the way.

She has collected an army of awards, won employer of the year in view of the training to the future professionals and has achieved colour expert status Kelly specialises in creative hair colour and educates her team in how to provide our guests with the perfect colour result.

Our aim is to provide you our guest with the ultimate in service, expertise and luxury. We will take the time to listen to you and will give you a designer haircut inclusive of a home care maintenance program.
